In this Toon Boom Animate Pro tutorial, we will focus on creating the basic key poses for our character's walk cycle. Required software: Toon Boom Animate Pro. In this lesson we will draw a character walking down the street. You will see how you can create basic shapes with Toon Boom Animate Pro. In this lesson we will draw a character in motion. To do this, you will need to set the necessary settings and study the animation settings. In this tutorial, we will create a character figure walking down the street. To get started, you can simply create a shape of any size, and then enlarge it to the desired size. You can do this using the toolbar.
