A: Las claves fuentes tienen la palabra clave FOREIGN KEY, y con las que puedes controlar las relaciones de tu tabla con las otras tablas, aunque en tu caso parece ser que solo necesitas controlar las relaciones entre las tablas. Ahora imagina que tienes dos tablas: Tabla Movimientos (id, descripción, fecha_inicio, fecha_fin), y Tabla Alumnos (id_alumno, nombre, apellido_padre, curso) Ahora, tienes que tener en cuenta que has definido una relación de referencia con el curso en la tabla de Alumnos y el id del curso en la tabla de Movimientos. Esto es para que solo los usuarios al que pertenecen este curso puedan guardar un movimiento. Por lo tanto, si quieres que solo los usuarios con id_alumno puedan guardar un movimiento debe resaltar alumnos(id_alumno, nombre, apellido_padre, curso) para que al mismo tiempo sea PK y FK Tech As the official title sponsor of the World Cup, Samsung has seen multiple TV ratings boosts across its range of products, thanks to the new event. 4.6/5 - 415 - Received Good Feedback - 774 votes Book Description. Jamia.net.The Government is to get access to the personal bank details of thousands of its constituents in a move designed to stop cash being generated in illegal online gambling. Ministers are to tighten up regulation of internet betting companies, saying it is now "permissible" for the companies to collect details of customer transactions. John Whittingdale, the culture secretary, was challenged by Nick Clegg during a visit to Hong Kong to enquire about the recently disclosed practice. "There are around 3,000 people who have been involved in the recent Irish cases on internet gambling, and I am advised that in a majority of those cases of course the customers have all been customers of internet betting shops," he said. In reply he said: "With regard to internet betting it is I believe at present legal and permissible for internet betting companies to collect data including transactions. "In other words, they can know how much you spend. "It is not mandatory for them to collect this data, but it is legal for them to do so and it is certainly permissible for them to do so." Mr Clegg told Mr Whittingdale that the Government must do more to tackle corruption. "We are all agreed that where there is a corrupt act in the life of the Irish state we should expose it and we should stop it happening in future," he said. "We think people who are corrupt should go to jail and that corruption should be dealt with by the rule of law. "But the reality is there are strong pressures and arguments that say otherwise." Mr Whittingdale admitted that he had not been to prison for corruption. He said he had been up against the best that the judiciary had to offer, but this did not mean that the allegations against him were not true. "But how do we deal with those pressures?" he said. "And what do we do in the future? We need to provide a very clear line in the sand that corruption is not tolerated and that if anyone is corrupt, then they should be exposed." He added: "What we should not do is ... any form of protection and encouragement to corruption." There was growing concern that the previously undisclosed practice was fue
